

SaltDogg™ 12 VDC Pre-Wet Enclosure Pump Assembly - 4.5 Gallons Per Minute

Buyers Part Number: LS102H

Buyers Products Universal Pre-Wet Pumps and Enclosures feature corrosion-resistant housing and in-cab controls. Available with either 12V DC or hydraulic power.

- Sturdy, corrosion-resistant housing keeps pump assemblies out of the elements.
- Easy to operate in-cab controls.
- 12V DC-powered pump provides variable spray rate.
- Available with either 12V DC electric or hydraulic power operation.
