

SaltDogg 12 VDC Pre-Wet Kit With 105 Gallon Poly Tailgate Reservoir

Buyers Part Number: LS4T

Buyers Products SaltDogg Universal Pre-Wet Kit for Tailgate Mounting enhances your spreader's salt application. Fits dump tailgates 24 in. tall and higher.

- Kits contain everything you need to install and run your pre-wet system.
- Helps salt stick to pavement and melts ice at lower external temperatures.
- Sturdy poly reservoirs are designed for tailgate mounting.
- Universal mounting on dump tailgates 24 in. or taller.
- Your choice of electric or hydraulic pump operation.
- 12V DC-powered pump provides variable spray rate.
- Corrosion-resistant stainless steel brackets, tie downs, and pump enclosures.
